Mr. K. M. Ibrahim *(Cranganur).*—Does the Hon'ble Member maintain that there is no delay ?

Mr. K. P. Kannan Nayar *(Joint Secretary to Government).*—Not any undue delay.

Mr. K. M. Ibrahim *(Cranganur).*—When was it passed?

Mr. T. S. Narayana Ayyar *(Secretary to Government).*—I think by the end of August 1936.

Mr. K. M. Ibrahim *(Cranganur).*—Will the Hon'ble Member undertake to expedite the enforcement of the rules.

Mr. K. P. Kannan Nayar *(Joint Secretary to Government).*—It is being expedited.

Mr. K. M. Ibrahim *(Cranganur)*—May I know of a similar legislation, viz., the Factories Bill ?

Mr. President.—Hon'ble Members must be aware that before submitting sign manual copies for His Highness's Sign Manual translation of the entire bill has to be made and it can be done only after the passing of the bill by this House. That is one of the factors which always explains this apparent delay.

Mr. K. M. Ibrahim *(Cranganur).*—Can we rest assured that the Government will give expeditious consideration to the Factory Bill also ?

Mr. President.—I can give a personal assurance that the Trades Union Bill and the Factory Bill must come into operation as early as possible.

T. A.—1111 and 1112—Officers drawing a salary of Rs. 500 and above.

345. Mr. E. Ikkanda Warriar *(Urakam).*—Will the Government be pleased to state a list showing the amount of travelling allowance drawn by each of the officers drawing a salary of Rs. 500 and above in 1111 and 1112 ?

Mr. K. P. Kannan Nayar *(Joint Secretary to Government).*—Please see list appended *(Appendix III.)*

Mr. E. Ikkanda Warriar *(Urakam).*—In the appendix the T. A. drawn by the Diwan in 1111 is shown as Rs. 1,834—11—0. But in 1112 it is only Rs. 488—5—0. Does it include the T, A. drawn for tours outside the State?

LIBRARY ARCHIVES Kerala Legislative Assembly

Mr. K. P. Kannan Nayar *(Joint Secretary to Government).*—They do.

Mr. E. Ikkanda Warriar *(Urakam).*—In spite of that the T. A. drawn this year is only 488 rupees.

Mr. President.—The Diwan could have drawn more.

Mr. E. Ikkanda Warriar *(Urakam).*—Not that, Sir. I want to know whether there is any mistake in the figure.

Mr. K. P. Kannan Nayar *(Joint Secretary to Government).*—No mistake.

Mr. P. Kumaran Ezhuthassan *(Wadakkancheri).*—The Pottery Expert has drawn Rs. 198—6—0 in 1111 and Rs. 64—13—0 in 1112. May I know what is the travelling he has done.

Mr. V. K. Aravindaksha Menon *(Chief Engineer).*—He has gone to Alleppey and to Nemmara.

Mr. A. Eachara Menon *(Chittur Rural).*—Are we to presume that the Commissioner of Police has not travelled.

Mr. K. P. Kannan Nayar *(Joint Secretary to Government).*—He has travelled. But here it is the list of officers on Rs. 500 and above. The present Commissioner is drawing only Rs. 400.

Delay in obtaining copies of documents in pending cases from the Chief Court—inconveniences caused to the public.

346. Mr. A. V. Moothedan *(Chalakkudi).*—Will the Government be pleased to state.—

(a) whether they are aware of the hardship and inconvenience caused to the litigant public, as a result of the delay in obtaining copies of documents in pending cases, from the Chief Court Copying Department;

(b) is it a fact that quite recently in several pending cases a period of about a month was required for getting copies of issues?

Mr. Thomas Manjuran *(Government Advocate and Law Officer).*—(a) Usually there is no delay and it can be positively asserted that the work of the Copying Department on the whole is quite efficient.
